Technical Data

Product Name		MKB03
Video input	Video input	VGA/AHD/dual AV/4 channels AV customized
Other interface	Aviation interface	8pin composite interface
Screen	Monitoring screen	7 inch LED back light
	Resolution	1024*600
	Brightness	350nit
Control keyboard	Rocker	Three dimensions
	Preset point	Max support 12pcs
	Aperture adjustable	Support
	Baud rate	2400/9600 adjustable
Power supply	Working voltage	12V
	Consumption	<6W
Working temperature	Temperature	-15℃ ~ +60℃
	Humidity	10%-95% (No condensation)
Physical characteristics	W*D*H	230*130*30.5
	Weight	600g
